Rochester Hosts Their 61st Annual Memorial Day Boat Race

A tell-tale tradition in the tri-town area that summer is just around the corner is Rochester's Annual Memorial Day Boat Race, which saw its 61st run on the Mattapoisett River this past Monday, May 29. A near-record 91 registered teams signed up for the event, but only 81 managed to complete the rigorous two-person course.

Started in 1934, the race offers challenges for a two-person team on a variety of levels. First, each team is responsible for the design and construction of their own boat, which must be crafted solely by hand and made only of natural wood. Second, each team member must work to maneuver the vessel down the winding route of the Mattapoisett River. Lastly, the team must collaborate as a single unit to achieve final victory — or finish within a given time frame. All-told, it is a test of craftsmanship, endurance, and sportsmanship.

The race kicked off promptly at 8:30 am at Grandma Hartley's Reservoir on Snipatuit Road in Rochester under cloudy skies with high winds. Some downpours later that morning became something of a hindrance for the various boating teams as they struggled to make their way down the Mattapoisett River to the finish line just before Route 6 at the Herring Weir.

Victory was claimed by Matthew Pepin and Dana Barrows, both of Mattapoisett, who cruised across the finish line in 1:56:52 to grab First Prize in the Open Division. They were followed some four minutes behind by Jeff Eldridge of Rochester and Walter Gonet of Freetown, who took Second Place honors with 2:00:25. Third Place in the Overall Division went to Sean Shaw and C.J. Hedges IV, both of Rochester, who were close on the heels of the Second Place finishers with a time of 2:00:48.

In the Junior Girls Division, top honors went to the sole team of Holly Smith and Caitlin Trahan, both of Mattapoisett, who finished in 3:47:19. In the Junior Boys Division, First Prize was taken by the team of Sheryl Tripanier and Ben Coutu, both of Rochester, who finished in 3:41:00. The Junior Boys Second Place honors went to Rochester's Peter Post and Brandon Empey, who finished in 3:53:44. Third Place in the Junior Boys Division went to Bret Risdal and Jason Bobola, both of Mattapoisett, who finished in 4:12:42.

First Prize in the Women's Division went to Mattapoisett's team of Kate Souza and Jodi Bauer, who cruised down victory lane in 2:35:44. Second Place finish went to Johanna Lindberg of Marion and Samantha Meservey of Rochester, who finished in 2:44:33; and Third Place honors in the Women's Division went to the Rochester team of Bette Olival and Vicki McLaughlin with a time of 2:49:06.

In the ever-popular Co-Ed Division, First Place honors went to Rochester's Katie Hedges and Josh Hedges, who managed to finish ninth overall and place first in their division with a time of 2:12:39. This being their third consecutive division win, both Katie and Josh were given the Joe Ferreira Memorial Trophy, which is presented in memory of former race chairman Joe Ferreira. Second Place in the Co-Ed Division went to Rochester's Carolyn Gilmore and Richard Cutler, who finished with a time of 2:29:11; and Third Place honors were given to Brenda Fatula of Mattapoisett and Paul St. Don of Acushnet, who finished with a time of 2:29:21.

In the Parent/Child Division (with a child under 14 years old), the Rochester team of Lindsey Lawrence and Gifford O. Lawrence took the top honors with a finish time of 2:14:15. Second Place in the Parent/Child Division went to Rochester's Erin Sherman and Bryan Sherman, who finished in 2:17:31; and Third Place honors went to the Rochester team of Ian MacGregor and Peter MacGregor, who finished in 2:18:31.

Trophies and prizes were awarded to race participants at the Rochester Memorial School on Monday evening, May 29. In addition to the top three finishers in each division and a special award for three consecutive wins (Katie and Josh Hedges), the "Old Man River" trophy was presented to Richard Bentz of North Billerica as the eldest contestant in the race. Mr. Bentz and his partner, Nelli, finished in 3:12:00 to place 66th overall.

According to Boat Race Chairman Arthur Benner, this year was certainly a banner year for the event, and the Rochester Fire Association is considering imposing a limit of 100 contestants for next year's run. "We always get a little nervous when we get over 90 contestants," he said. "I think 100 people is about the most we can handle in one day."

Regardless of the capacity, one thing is certain: the race is an ongoing tradition for the tri-town area and one that offers a challenge, fun, recreation, and an opportunity to help a good cause — in this case the Rochester Fire Association. The department managed to raise over $900 between the benefit Ham and Bean Supper which was held on Saturday night, May 27, the entrance fees collected from the participants, and donations from those present.

With another race behind him, Arthur Benner has just enough time to relax before starting to plan the 62nd Annual Memorial Day Boat Race.

• Correspondence from Gerard G. Charest, Project Development Director, Tibbetts Engineering Corp. Mr. Charest, stated that due to the Selectmen's decision to postpone any further meetings on North Street, Tibbetts does not suggest expending any further design funds. Given the potential for changes in the design concept, it seems only appropriate to stop further design work until the necessary decisions are made.

• Adrian L. Lonsdale submitted a correspondence expressing an opinion relative to prohibiting roller blades, bicycles and hockey playing at the tennis courts located at Center School. The Selectmen talked about this and decided that signs should be put up and the police informed.

• A copy of a letter sent to Representative William Straus from David Janik, Buzzards Bay Project, relative to funding of the Mattapoisett Dam and Herring Ladder project. It is anticipated that perhaps later in the summer a commitment letter will be provided.

At 7:30 pm the Board met with Charles Prefontaine about the Fourth of July Road Race. Everything is falling into place including the award of four $1,000 scholarships to seniors from ORR High School later this week.

Following this, the board met with Daniel White to discuss the Continental Cablevision Contract that allows for monies to be given

to the town to spend as it sees fit. There was discussion of having a Mattapoisett bulletin board for messages. Also of putting I-NET in the town buildings including schools. The board decided to look into the possibility of hiring a consult to further explore these options.

Under the Executive Secretary's report, Ms. Adams noted:

• Safety Officer Paul Magee invites one or more Selectmen to attend the DARE Graduation ceremony at ORR Junior High School on Wednesday, May 31 at 12:45 pm. It was decided that Ms. Adams herself would attend as a representative from the Selectmen's Office.

There being no further matters to come before the board, they voted to go into Executive Session at 8:30 pm to discuss contract negotiations with the Police Union. They would come out of Executive Session for the sole purpose of adjourning for the evening.

Marion Selectmen's Meeting

May 30, 1995

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, May 30 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

After signing treasury warrant #48 for the week and unanimously approving the minutes of the May 23 meeting, the board considered a request for three automatic amusement device licenses for Lupo's Variety on Wareham Road. However, Planning Board Chairman T. J. Walker asked that the request be denied as Ms. Lupo had not yet met her Order of Conditions for infiltration requirements at the site. These should have been met by April 1, 1995.

Selectman Dickerson suggested the requests be tabled until such time that the Order of Conditions are met on the property. He also advised Ms. Lupo, who was present for the meeting, that it wasn't their standard policy to allow more than two automatic

amusement device licenses at any establishment. "I think we should stick with that policy," he said.

At 7:11 pm, the board met with Police Chief Brian J. Scott and Sgt. Larry Savery of the Police Department to discuss the new bicycle patrols which will begin in town. Chief Scott explained that he wanted to start the patrols last summer, but didn't have the money in his budget. About three weeks ago, the representatives of the Marion Police Brotherhood met with him and offered to purchase and equip two bikes for the department, at a total cost of close to $2,000.

"I think the union is to be commended for this action," Chief Scott said. "This is a shining example of their commitment to the community. I cannot say enough about the Marion Police Brotherhood ... they have done a great deal for this town."

With that, Chief Scott introduced Officer Kyle Costa and Officer Scott Brightman, both of whom would be working the bike patrols in the Marion Village area. Chief Scott noted the patrols would essentially cover the center of town, from Front Street to Route 6, and from Zora Road to Route 105. The bikes would also be useful in patrolling the beach area, Island Wharf, and in ticketing illegally parked cars in the downtown area.

Both Officers Costa and Brightman were in full gear, which included helmets, colored shirts (white for night, blue for day) and Marion Police patches. Each mountain bike cost between $600 and $650, and the remaining funds were used to equip the bikes and purchase riding gear. The bicycle patrols will begin on June 18 and will run Thursday, Friday and Saturday nights, and Saturday

afternoons. The two officers also took it upon themselves to train and learn about proper riding safety on their own time and at their own expense.

"They did everything on their own," Chief Scott said. "They went through strength tests, agility tests, studied nutrition, and learned how to maintain their conditioning."

Under incoming correspondence for the week, the board receiving a letter of interest from Anne Croke Shoemaker, who would like to serve on the Planning Board. Ms. Shoemaker noted she has a Master's degree in City and Regional Planning and would like to fill a vacancy on the board. The Selectmen agreed to pass the letter along to the Planning Board for consideration.

The Marion Marine Resources Commission next submitted a letter advising that there is an opening for a three-year term position

on the MRC. Any interested parties should submit a letter of interest and resume to: Marion Marine Resources Commission, c/o Marion Town House, 2 Spring Street, Marion by June 15.

Resident Annie Rockwell next submitted a letter regarding the Point Road subdivision and the recent law suit brought by the Marion Harbor-East Trust against the Planning Board and RJM Corporation. Ms. Rockwell stated that although she shares the citizens' financial concerns about over 60 homes on Point Road, she feels the law suit is ill-advised and "merely a masking of their true concerns that the homes be built will not be 'expensive enough' for the neighborhood."

The board was next notified of a special reception for Robert Farmer, the Consul General of Bermuda, who will be in Marion for the Marion to Bermuda Race. The reception will be held on Friday, June 16 from 5:30 to 8:30 pm at the home of Shelley and John Keith in Marion. The letter requested permission to park cars on the beach and to ask for a special duty police officer for the evening.

Shellfish Officer Charles Bradley next advised that the Massachusetts Division of Marine Fisheries has closed the Inner Harbor, effective June 1. This closure encompasses an area on the west side of the Marion Harbor from Black's Point to Allen's Point to Little Island to the dock at 57 Water Street.

The board next voted to institute the following schedule of meetings for the summer months, which has been the practice for the last few years. Unless an emergency matters arises, whereby a special meeting can be called by the chairman, the board will meet on the following dates: June 13, June 27, July 11, July 25, August 8, and August 11.

At 7:40 pm, the board met with a group of concerned residents, the members of the Planning Board, and Town Counsel Thomas P. Crotty to discuss the pending litigation brought by J. Deane Somerville, David W. Mitton, Charles G. Paulsen, Theodore Munro, et. al., Trustees of the Marion Harbor-East Trust, and John G. McManus, A. Lee Hayes, Charles G. Paulsen, and G. Bruce West

against the Marion Planning Board (George T. J. Walker, Chairman; David Pierce; Robert Bennett; Albert Caron, Jr.; and Annie Rockwell) and the RJM Corporation.

Chairman Winters noted that the group of plaintiffs had come before the board two weeks ago to advise them of the action being taken. They stated their purpose in bringing the law suit was to get all parties together to discuss alternatives to the Point Road subdivision. "We have asked the plaintiffs to meet with us here tonight ... and they informed us that they couldn't," Chairman Winters said.

Town Counsel Thomas Crotty noted that he has talked with both Mr. Richard Mecke of RJM Corporation and his lawyer, and the lawyer representing the Marion Harbor-East Trust group, and they are currently at a stand-still. "We tried to get the plaintiffs to meet with them to see if some middle ground could be reached," he said. "We've been trying to resolve it, but we aren't getting anywhere. Mr. Mecke has decided to proceed with the approved ANR (Approval Not Required) lots — which is about 20 lots along Point Road. His original plan was to develop these lots first and then expand from there."

Mr. Crotty stressed that after working very closely with the Planning Board, Mr. Mecke opted to go with Cluster Zoning Plan and provide some fringe benefits to the town in the process. Among these, Mr. Mecke agreed to:

• Deed to the town at no cost a strip of land approximately 4.33 acres immediately abutting Point Road, the purpose of which was to create a buffer zone between the development and the road;

• Deed to the town at no cost a parcel of land of approximately 74.25 acres to be retained as conservation land accessible to all;

• Deed to the town at no cost a small parcel of land of approximately 1/3 acre at the southerly end of the project;

• Deed to the town at no cost an approved building lot (Lot 57) upon which a playground could be constructed to serve the neighborhood children;

• Install all utilities underground;

• Install approximately 4,600 feet of sewer line at no cost to the town, and at a greater depth than necessary for this project (thus, at a greater cost) so that the town might eventually tie in at the far terminus;

• Although unrelated to this project, Mr. Mecke has also agreed, at his own cost, to clear a lot of land where a fire station is to be constructed.

Mr. Crotty noted that Mr. Mecke can decide to proceed with developing the ANR lots and the seven lots at the rear of the property as initially proposed. If Mr. Mecke so desires, he can simply develop a Comprehensive Plan for Low- to Moderate-Income Housing which would readily meet approval with the state and

avoid any local action.

"Right now Marion provides about 3 percent low income housing," Mr. Crotty said. "The state's goal is closer to 11 percent ... so any development which fits between that margin would be looked upon favorably."

Several residents suggested that the Board of Selectmen should send a letter to the plaintiffs stressing this fact. But Mr. Crotty felt the board should simply support the Planning Board as the defendant in the suit and make every effort to resolve the matter as quickly as possible.

"One thing is clear — the case will drag on for one to two years," Mr. Crotty said. "I don't know if the intent of the plaintiffs was to get Mr. Mecke to stop the project ... or force him to pack up and go away. But that's clearly not going to happen. Mr. Mecke is going to proceed with one plan or another, regardless of the outcome. Right now, he intends to proceed with developing the ANR lots which the Planning Board worked so hard to avoid."

Planning Board Chairman George T. J. Walker concurred. "I don't think it's in Marion's best interest to allow some 260 homes to be built under a Comprehensive Plan," he said. "I'm hesitant to make any further comment ... but we're still hopeful and optimistic that we can negotiate something ... but the window is closing."

Planning Board member David Pierce added that he is concerned that a group of six people representing a small group in town is speaking for the entire population of Marion. "It bothers me that we have a letter from (six people) who claim they are speaking on behalf of the whole town," he said. "They also said they are concerned about Open Space ... but if we don't resolve this matter

we'll be losing all the Open Space which Mr. Mecke agreed to give us."

With no representatives for the plaintiffs present, those present agreed that the next step would be to inform them of the potential damage they could cause in persisting with the law suit. Everyone seemed to agree that something should be done within the next two weeks to deter Mr. Mecke from following up with his original plan.

There being no further matters to come before the board, they voted to adjourn for the evening at 8:44 pm.

Rochester Selectmen's Meeting

May 30, 1995

By Rob VanReenen

A regular meeting of the Rochester Board of Selectmen was called to order on Tuesday, May 30 at 7:00 pm by Chairman Michael Murphy. Also present were Selectman David L. Hughes, Selectman Lorraine Roy Hawkes, and Administrative Secretary Shirley A. Ferreira.

The minutes from the May 22 meeting were approved with one correction from Selectman Hawkes.

The annual reappointments to the Finance Committee were then made by Town Moderator William Chamberlain in conjunction with the Board of Selectmen. The following were reappointed to full memberships: Glenn Pierce, Norma Lamb, and Patricia Ryan were re-appointed. Town Moderator Chamberlain was in opposition of the votes for Mr. Pierce and Ms. Lamb. Both Linda Cobb and Ruth Philbrook were reappointed as alternate members via unanimous vote. Selectman Hughes said of the reappointments that they "did a fine job before ... I think they will continue to do a fine job."

The board next unanimously voted to award the bid on the 1250 gallon-per-minute pumper tanker to Greenwood Fire Apparatus, Inc. of North Attleboro, MA in the amount of $173,760.00, upon recommendation of the Fire Department.

Under incoming correspondence for the week, the Rochester

School Committee requested Town Counsel to review a proposed contract. Selectman Hawkes questioned whether this was the teachers' contract, which is quite lengthy. She also wondered if this request would set a precedent. No one had any answers to her inquiries, so they decided to hold on voting on this request until these questions could be answered.

Also under correspondence, Mr. Angelo D'Attoma sent a letter of resignation from the Planning Board to the Board of Selectmen. Mr. D'Attoma said that he was resigning with a "real sense of disappointment" that he had to leave Rochester. Selectman Hughes accepted his resignation "with regret."

The board next cited the following notices for the week:

The typical reaction to our checking accounts.

When folks discover the complete range of checking options that Plymouth Savings Bank offers, they're enthused. And when they find fees that are typically lower than the competition's, they're absolutely delighted. Here are a few examples:

Club Checking. A feature-filled account for people on the go. With the Club 50, there are no service charges when you maintain a $100 minimum balance. Club 50+ provides a wealth of benefits for just $4 a month. Even our standard Club Checking is packed with benefits.

NOW Account. An interest-earning account that lets you avoid the $6 monthly fee, simply by maintaining a $1,000 minimum balance.

Basic Checking. Perfect for folks who write a minimal number of checks. For a low, $2 monthly fee, your first 10 checks are processed free, and the rest are just 10¢ per check.

With Accountkey, you always know where you stand. Whatever you choose, our Accountkey line gives you touch-tone access to your account, even when we're not here. So you can verify your balances, find out which transactions have cleared — even make transfers and loan payments, 24 hours per day.

Call us, today, at Plymouth Savings. When it comes to providing affordable checking for our neighbors, you'll be pleased to discover we're a bank of many hats.

Letter to the Editor

To the Editor:

I just want to tell you how thrilled and honored I felt when I read the May 12 issue of *The Wanderer.*

I had no idea the article was to be put in, even though all my friends were aware of it. So many of my friends also volunteer work, so I never felt I did any more than they did. We all have a feeling of satisfaction when we can do something or help someone.

Sincerely,

To the Editor:

The Toy Box wishes to thank everyone who helped make our first annual Kite Festival a success. We had a wonderful afternoon at the high school with the gang from kites all over New England. The sky over the field was full of colorful parafoils, deltas, serpents, and stunt kites being flown by novices and pros alike!

We'd also like to thank the Girls Volleyball Team at (ORR) High School for providing snacks and drinks and everyone who showed up and participated with such nice energy. We've scheduled the event for next year so please mark it on your calendar: May 18.

It's a pleasure to be a part of such a welcoming and alive community. We look forward

Refurbished Fire Truck Now In Service

Although many Mattapoisett residents might be wondering where the shiny, new chrome-bedecked F-350 one-ton pickup truck now being used by the Fire Department came from and how much of their tax dollars were used to purchase it ... their fears may be put to rest.

The "new" truck is, in fact, a 1977 pickup which was formerly used by a National Guard troop in New Hampshire, and was acquired about a year ago. Thanks to a tip from Jack Faustino of Rochester, who works as a Plymouth County Natural Resource Officer, the Mattapoisett Fire Department was alerted that the truck was available and obtained it.

Through the efforts of many individuals, businesses and organizations throughout the area, the truck has been resurrected and was recently put into full-service as a first responding unit to brush fires, contaminant spills, and motor vehicle accidents. With donations totalling just under $1500, the department was able to install a 180-gallon portable pumper tank and equipped the unit with all the necessities.

"When we got the truck it had virtually no mileage at all," Fire Chief Ronald Scott said. "Thanks to the blood, sweat and tears of several area groups

and people, we were able to put the vehicle in service at no cost to the taxpayers."

Chief Scott noted that a new truck of this type, fully-equipped, would cost somewhere between $35,000 and $40,000. He also wished to note the contributions of the following in getting the truck up and running:

Ted Laycock of Ted's Automotive in Marion, who painted the truck; Murphy's Auto Salvage of West Wareham who towed the truck back from New Hampshire; Wayne Oliveira of Mike and Wayne's in Fairhaven, who helped greatly with the price of red lights; Lt. James Gracia of the Mattapoisett Fire Department, who did all the metal fabrication and wired the radios; Capt. David Scott of the Mattapoisett Fire Department, who installed the red light system, tuned up the truck, and assisted Lt. Gracia; Capt. John DeCosta of the Mattapoisett Fire Department, who helped with the initial painting and planning; Firefighter Carl Reusch of the Mattapoisett Fire Department, who did the initial clean up work before the painting was done; Firefighter Dennis Tripp of the Mattapoisett Fire Department, who helped throughout the project; Ken Pacheco of Village Signs in Mattapoisett, who did all the lettering and signs for the vehicle; and the Mattapoisett Lions Club, who made a sizeable contribution toward the painting and renovation of the pickup.

Fortunately, the day after the truck was completed and ready for use, it was deployed to a large fire on the Lakeville/Freetown line. The

vehicle was put to good use, and was able to maneuver through heavily-wooded areas, according to Capt. John DeCosta.

Chief Scott added that he hopes with the addition of a new Engine to replace the unreliable and leaking Engine No. 4 — which goes before voters on next week's June 6 election ballot — the Mattapoisett Fire Department will be brought up to speed in terms of available and dependable fire apparatus.

"We've been using Engine 4 a lot for brush and grass fires ... which the (new) pickup truck can handle now," Chief Scott said. "I'm just a little concerned that we won't be able to do any heavy-duty pumping if Engine 4 isn't replaced."

The event will take place on Thursday, June 8 at 7:00 pm in the ORR High School Auditorium. Admission is FREE and all are welcome to attend.

It's an evening for all ages to see the world through the eyes of the crew of five young men who attended Sippican School and ORR Junior High School together, and not only rebuilt a boat wrecked in Hurricane Bob, but went on to sail it 30,000 miles on a world voyage in the tradition of those from Marion who for years have "gone down to the sea."

Mattapoisett Birthday Calendars

The Mattapoisett Firefighters Association will be producing a 1996 Mattapoisett Birthday Calendar. Association members should be contacting you shortly to solicit calendar purchases and listings of your family and friends' birth dates.

For those unfamiliar with the project, the calendar is the same which until 1994 had been produced by the Mattapoisett Woman's Club. The calendar lists birth dates and anniversaries for each day of the year.

The calendars cost $5 each, which includes two listings. Additional listings can be purchased for 50 cents each.

Mattapoisett Track Club

It's that time of year again! Time to sign up for the Mattapoisett Track Club. Membership is open to everyone, regardless of age or town of residence. Registration will begin on Wednesday, June 7 at 6:00 pm at Center School in Mattapoisett. A registration

Marion Natural History Museum

Museum Awarded Grant

The Institute of Museum Services (IMS) and the National Institute for the Conservation of Cultural Property (NIC) are pleased to announce the Marion Natural History Museum has been awarded a 1995 Conservation Assessment Program (CAP) Grant. The Marion museum is one of 153 institutions granted a CAP grant in 1995. Through on-site consultation with a professional conservator, the grant will enable the Marion Natural History Museum to evaluate its current collections care policies, procedures and environmental conditions.

CAP assists the museum in making collections care and conservation fundmental priority of their institution. Diane Frankel, Director of IMS, stated: "I congratulate the Marion Natural History Museum for the activities it is pursuing today to ensure that tomorrow our children will be

REDUCING TAX ON SALE PROFIT

If you are selling your home there are ways to reduce the federal tax from any profit you make. If you buy or build a new residence within a period of two years before or after selling your home, the entire gain may be deferred if the purchase price of the new residence exceeds the adjusted sale price of the old residence (gross sale price minus the costs linked to selling the house -- like the broker's commission).

Also a taxpayer at least 55 years old is eligible for a once- in-a-lifetime exclusion of up to $125,000 of gain on property used as a principal residence for at least three years of the preceding five year period.

Another method of reducing the federal tax is to establish a higher tax basis for the home being sold. The tax basis is the original cost plus capital improvements. Examples of capital improvements are added rooms, a remodeled kitchen, a new roof, central air conditioning, or a new swimming pool. Keep receipts for all of these improvements.

Call Fisher & Rocha today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

DARE Students Go To See PawSox

The Mattapoisett Police Department's DARE Program, under the direction of Safety Officer Paul Magee, sponsored a trip to the Pawtucket Red Sox game on Saturday, May 13. Approximately 150 students were taken to see the game as a reward for seventh grade students who completed the eight-week DARE (Drug Abuse Resistance Education) Program.

The PawSox played against the Charlotte Knights. All students who attended received a baseball from the team. Many of the students also had their baseballs autographed by the players. Although the Sox lost, the students had an excellent time. The trip returned to the Junior High School at 10:00 pm.

The cost of the tickets was picked up by the Mattapoisett Police DARE Program. Students only needed to pay for their food. The trip was chaperoned by Junior High staff and by several Mattapoisett Police Officers.

Sippican Choral Society

Just for the joy of singing, the Sippican Choral Society invites all who would love a chance to try out their vocal chords on great music to sing along with them on four Monday evenings this summer. The occasions are part of the chorus' "Summer Sing!" program.

The first concert will be held on Monday, June 12 at 7:30 pm at the Congregational Church Community Center in Marion. The public is invited to sing along with the Society to selections from Mozart's "Solemn Vespers" under the direction of Bette Roberts. Musical scores and summer refreshments will be provided. There is a $4 admission charge.

Ms. Roberts will rehearse everyone present for about 45 minutes in selected choral pieces from the Vespers. After a break with cool summer refreshments, the "pickup" chorus will sing straight through the Vespers. Admission is $4 per person, and the impromptu concert will be over by 9:45 pm.

On Monday, June 26, the Sippican Choral Society will sing selections from Gilbert and Sullivan's "The Mikado," under the direction of Peter West. This second concert in the series will take place at 7:30 pm.

On Monday, July 10 at 7:30 pm, the Society will perform Handel's "Dettingen Te Deum," under the direction of Brian Roderick, Director of the Fairhaven Unitarian Church Choir.

On Monday, July 24 at 7:30 pm, the group will perform Brahms' "Liebeslieder Waltzes," under the direction of Peter West.

All concerts will take place in the Congregational Church Community Center in Marion. Admission for all concerts is $4. While musical scores for all pieces will be available to borrow for the evening, those singers who have their

Mattapoisett Girl is Poster Child

Elissa Dawn Desroches of Mattapoisett, a student at Center School, has been chosen by the Epilepsy Association of Massachusetts to represent the association as its 1995 "Winning Kid" poster child.

As the winner, she is also the Epilepsy Association's entry in the National Foundation's "Winning Kid" contest.

The concept behind the "winning kid" program is to help dispel many of the myths and stereotypes surrounding the disorder. Over 300,000 American children have epilepsy, and many are living full, active, "normal" lives with the help of medication.

Elissa was chosen based on her courage and determination to live above and beyond a normal life in the face of many obstacles and seizure-related setbacks.

their seventh grade Health-Science Curriculum. This year, the trip will begin on Sunday, June 11 and continue through Saturday, June 17.

It is estimated that during the last 23 years, approximately 2,200 "survivors" have completed the week-long outdoor experience. Many have returned through their high school and college years as chaperones.

As you begin your spring cleaning and come upon a long unused backpack (in good condition) or any other unwanted camping gear, the Survival Advisory Board would greatly appreciate donations of any kind. These donations can help ensure that all of our young people who wish to participate in the program will have the means to do so. Additional support for the program is being provided through a student Car Wash and Bake Sale. Should benefactors wish to contribute to the program, they are welcome to do so. In either case, simply call Judy DeMailly or Rory McFee at ORR Junior High School (758-4928).

SurvivORR Program

ORR Junior High School has had a popular program called "Survival" where over 100 seventh grade children travel to Northfield, MA and live off the land and work on real life skills for a week. In the past couple of years, the school has tried to add to the program for the students who have stayed behind, called "SurvivORR." Both programs run from June 11 - 16.

This year, there is a new activity offered for SurvivORR students. The goals are similar to Survival, although it addresses other facets of real

life skills. While learning skills, students will have an increased awareness of how AIDS is impacting nearby communities. The activity involves students making baby quilts and blankets for local HIV-positive babies.

Thanks to the generosity of all involved, there is no charge for the students participating. Local stores such as Piece Goods of Dartmouth, Wal-Mart, and
Building 19 are donating fabric and supplies for the quilts. Kate MacGregor, the coordinator of the project, also encourages those who have extra remnants to donate to the school.

Mattapoisett Seniors Plan Festivity

The Mattapoisett Seniors Club membership is looking forward to the annual appearance of the Old Hammondtown School Jazz Band at its June 8 meeting at St. Anthony's Church hall.

The children will perform at 1:30 pm and a business meeting and social hour are to follow the performance. Members may bring guests according to President Norma Jones. Hostesses will be Ms. Celia Rolli; Ms. Mary Bellotti; Ms. Jones, Ms. Clare

At its recent May meeting, the club initiated plans for its annual Mini-Fair, to be held on August 12 in the church hall. Anyone having donations for the event may call Manny Freitas at 758-4337 or Ms. Jones at 758-6574 for pick-ups.

Ms. Bellotti is general chairman. Others in charge are Ms. Rosalie Joaquin, Silent Auction; Ms. Hurley, Food Table; and Ms. Doyle, Coffee and Pastry. The Mini-Fair is the club's only fund raiser for the year.

Adoptable Animals

This week the Animal Umbrella nursery is still popping with lots of happy, healthy kittens awaiting adoption. They have grey tigers, calicos, orange tigers, both long and short fur, and some solid white and solid black.

The mother cats are weaning their kittens now, and many will be spayed next week and will then be looking for new, caring homes. They also have some real sweet moms available for adoption, including:

- A very pretty white, orange and black calico.
- A real laid back gray tiger.

• A black, gold and orange tortoise shell with orange eyes.

All of the above were rescued just before birthing or after along with their babies and have been fostered by Animal Umbrella for six to seven weeks and are now adoptable. Please help Animal Umbrella by helping them become loving pets.

In the "dog world" this week, available hounds include:

• "C.J.," the husky with one blue eye and one brown eye, who is still in foster care and waiting for a permanent home.

• A real sweet all-white female with stand up ears, about medium sized, with short fur.

• A blood hound named "Mr. Magoo."

If interested in any of these animals, please call one of the local Animal Umbrella representatives

In our Lost and Found department this week, the group is happy to report that the gray bob tail kitten has returned home. There are two new found cats in the Mattapoisett area, however:

- An all-gray, very long-haired six- to eight-month-old found on Main Street.
- A calico found on Lebaron Way.

If interested in claiming, please call one of the aforementioned Animal Umbrella representatives.

Available from a private pet owner this week: a two-year-old brown and white Dutch rabbit who is friendly and needs a new home. The owners are also willing to give a hutch and indoor or travel cage away with the rabbit. If interested, please call 748-2459.

The Wanderer would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. *Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.*

The Friends of the Elderly

Games at Village Court

Because of the cooperation from the Council on Aging, games will continue to be played at Village Court every Wednesday through the end of June. Anyone needing transportation may call 758-4110.

SHARE Registration

June 7 is the next SHARE Registration Day for that month's package. Besides the regular package, they also have a mini-package with approximately half the food for $8.50. Anyone can register for the SHARE package. There are no requirements other than two hours of community service a month, which can be easily arranged. The regular package is $14.50 for about $35 worth of meats, fruits, vegetables, and other goodies. You can register at the Congregational Church between 11:00 am and 1:00 pm on June 7.

Board Meeting

The Friends of the Elderly will be having their monthly Board Meeting at Village Court on Monday, June 5 at 3:00 pm.

Mattapoisett Senior Touring Club

On July 21 the group will take a day trip for a Luncheon and Authentic Hawaiian Show at the Huke-Lau Dinner Theater in Hyannis. Choice of prime rib or baked scrod is being offered at a cost of $36.50 per person.

On August 1 the seniors will partake in a Maine Lobster/Clam Bake (with chicken or steak available as an alternative to seafood) in Perkins Cove in Ogunquit, ME. The trip will include sightseeing and shopping time. The cost is $39 per person.

On September 7 the group will attend a Boston Theater Show titled "Holy Cow: Late Night Catechism," with lunch included in the $42 per person charge.

A five-day Catskill Vacation trip is planned for October 16 through October 20. Included are gourmet meals at the Friar Tuck Inn, daily activities, and nightly entertainment, plus talent night and costume party. Cost is $299 per person.

Another Boston Theater Musical, "Have Mercer," which is about songwriter Johnny Mercer, will be the destination on October 26. The trip includes luncheon at Jimbo's and a visit to Quincy Market. Cost is $42 per person.

On December 5 - 7, the seniors will embark on a Holiday Poconos Trip to spend three days at the Fernwood Resort Hotel. The trip will include lots of activities, nightly entertainment, and sightseeing in Bethlehem. Cost is $249 per person.

For further information on any of these trips, please call Rosalie at 758-2887 or Florence at 748-1918.

Nor'Easter Soccer Club

The Nor'Easter Soccer Club has announced tryouts for the 1995-1996 season. Nor'Easter, the first premier soccer club in the Southeastern Massachusetts area, is a member of the Massachusetts Premier League (MAPLE). For those players who hope to compete on the state team, play high school and college soccer, or beyond, they offer the highest caliber technical and tactical training available in the area. All coaches on the staff currently hold MYSA and/or USSF licenses.

The Director of Coaching is Raymond M. Cabral, Head Coach of the UMass Dartmouth Women, member of the MYSA Instructional Staff, former MYSA State ODP Coach, and Head Coach of the Nike League USWISL.

The club's goals are to develop premier players which have the ability, inner drive, and dedication needed to compete with the best; and to maintain an atmosphere and approach which will encourage a lasting love for the game of soccer.

Tryouts for Boys U-11, U-12, and U-14 teams will be held at UMass Dartmouth (call 758-3412 for specific location) on the following dates and times:

Adult Education Courses

Old Colony Regional Vocational Technical High School is maintaining a mailing list of area residents who want to be notified of future Adult Education Courses that will be held evenings at the school in Rochester. "Leisure Learning" is just completing its fourth year of offering 24 vocational skills and self-enrichment classes during the regular school year.

Three craft classes, folk art painting, craft sewing and stenciling were offered this year for the first time. Other classes included Auto-Cad, drafting, automotive repair, small engine repair, welding, photography, oil/watercolor painting, basket making, real estate, retirement planning, quilt making, floral design, gourmet cooking, and eight computer courses.

Birthday Book Club

Looking for a special way to celebrate a child's birthday? Climb aboard the Mattapoisett Public Library Birthday Train and donate a book to the children's collection in a child's name. You may request a specific title or choose from the library wish list.

Children who have books donated in their honor become Birthday Book Club members. Their books will have nameplates in the front and the children's names and book titles will be posted on a Birthday Train in the Children's Room. Club members will also be invited to a special birthday party held in their honor.

Summer Reading Committee

The theme for the 1995 library Summer Reading Program is "Reading is Natural." Children will be invited to celebrate the environment, reading, and animals in various programs and activities.

A Summer Reading Committee is being formed at the library. It will consist of adults interested in helping plan and implement programs for preschoolers through students in junior high school. Please call or visit the library if you are interested in helping to make 1995 the best reading summer ever.

New Life Jacket Mandate

Small boat operators, who comprise over 80 percent of boating fatalities each year, will now have an extra measure of protection aboard their boats.

As of May 1, boats under 16 feet must have one wearable life jacket, or personal flotation device, for each person aboard, under new rules issued by the U.S. Coast Guard. Under the new regulation, a "throwable" PFD, such as a buoyant cushion, will no longer qualify for the carriage requirement.

The new rules also allow states to establish their own requirements for children. Many states have already enacted rules that require youngsters to wear life jackets at all times while aboard small boats that are underway. The same rules allow the states to require people to wear life jackets while in canoes and kayaks, and while riding sailboards and personal watercraft.

The requirements for vessels over 16 feet remain unchanged.

Also, the Coast Guard may adopt another rule that allows inflatable life jackets to qualify under the carriage requirements. There are several models and styles of inflatables, and because they can be worn almost inconspicuously at all times, boating safety experts believe that more recreational boaters would be encouraged to wear them.

The bottom line with safe boating advocates is that having wearable life jackets on board makes

of available titles is available at the desk of the library. In addition to circulating titles, the library has over twenty titles that may be used in the library.

The Plumb Memorial Library is asking you to donate your spare pennies (or other spare change) to them this spring, with all proceeds going towards providing programs, entertainers and prizes for kids during the Summer Reading Program.

Drop your pennies in the big bottle at the library. (We'll also take nickles, dimes, and quarters, too!) At the same time, guess how much money the bottle will hold. The five people coming closest to guessing will win a great prize at the end of June

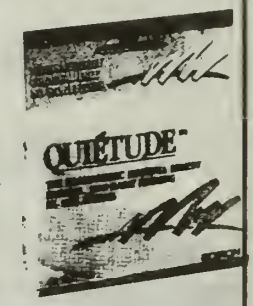
QUIÉTUDE™

The Homeopathic Insomnia Remedy

Everyday stress and daily pressures are one of the most common causes of insomnia. And while many over-the-counter insomnia medications proclaim temporary relief of sleeplessness, a growing number of people are choosing a safe, natural way...with the 200 year old healing art of homeopathy.

Treating The Whole Person Gently and Naturally

The symptoms of insomnia are the body's natural reactions. Rather than simply eliminating these symptoms, homeopathy works gently *with* your body to stimulate its own natural defense mechanisms. The underlying principle of homeopathy is the "law of similars" which states that the same substances that in large quantities cause symptoms — can relieve these same symptoms when taken in small quantities. In this way, homeopathy treats the *whole* person...naturally and gently and with *no* unpleasant side-effects normally associated with other over-the-counter products.



Safe, Clinically Tested, Effective Relief of Insomnia

Known in France for over 20 years, QUIÉTUDE has been clinically tested and shown to significantly increase sleep time, while actually improving the quality of sleep in both adults and children with *no* known side-effects, no daytime dizziness or drowsiness. QUIÉTUDE causes no nausea and no allergic reactions. It contains no L-tryptophan, and it's non-habit forming. Like all homeopathic medicines, it contains only minute quantities of the active ingredients, making it totally safe, with no contra indications, overdosage or drug interaction risks.

QUIÉTUDE is prepared from six natural plant ingredients, officially approved by the H.P.U.S.

An Insomnia Remedy That You Take Three Times a Day

Because QUIÉTUDE does not work by "knocking you out" but rather teaches your body to adjust to stress and daily pressure, in order to sleep better, you don't take QUIÉTUDE only at bedtime. To guarantee better results, you need to take it throughout the day, once in the morning, once in the afternoon, and then lastly just before you sleep.

Try A Smaller World.

Most insomnia remedies try to "knock you out". Quiétude™ is different. It teaches your body to react to stress in a harmonious and balanced way that lets you adjust for better resistance to daily pressures, a major cause of insomnia. Made from 100% natural ingredients, each tablet contains a small but effective dose of the healing medicine you need to sleep.
